The

Changing

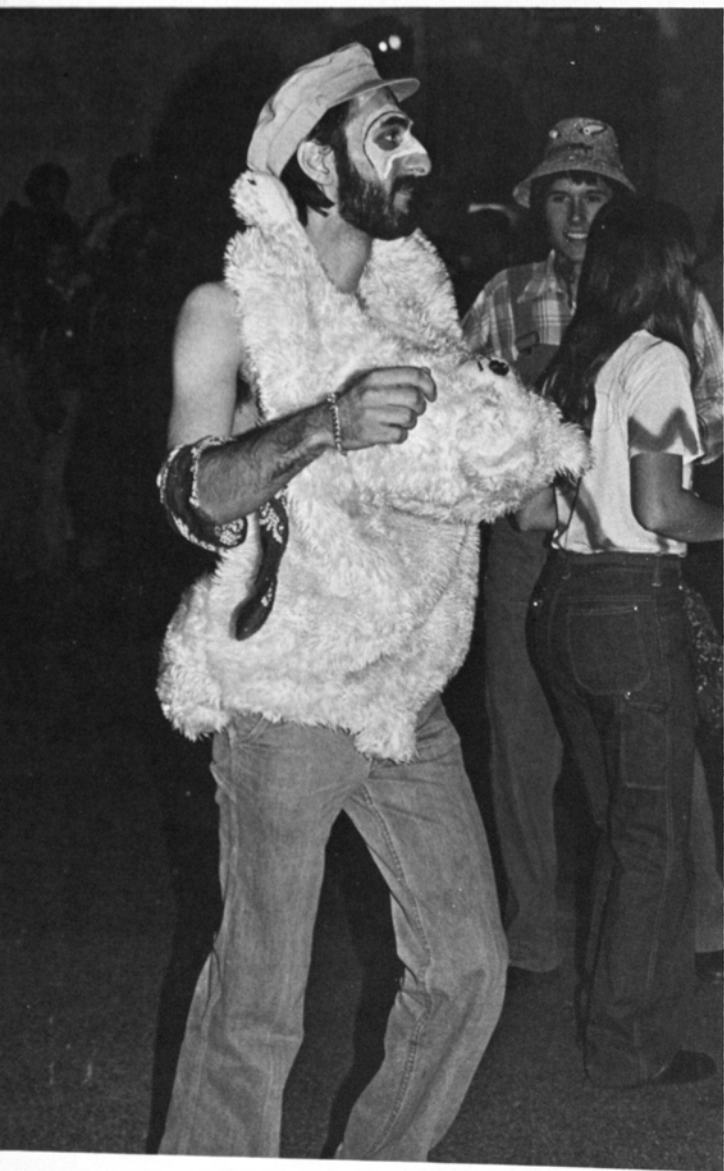

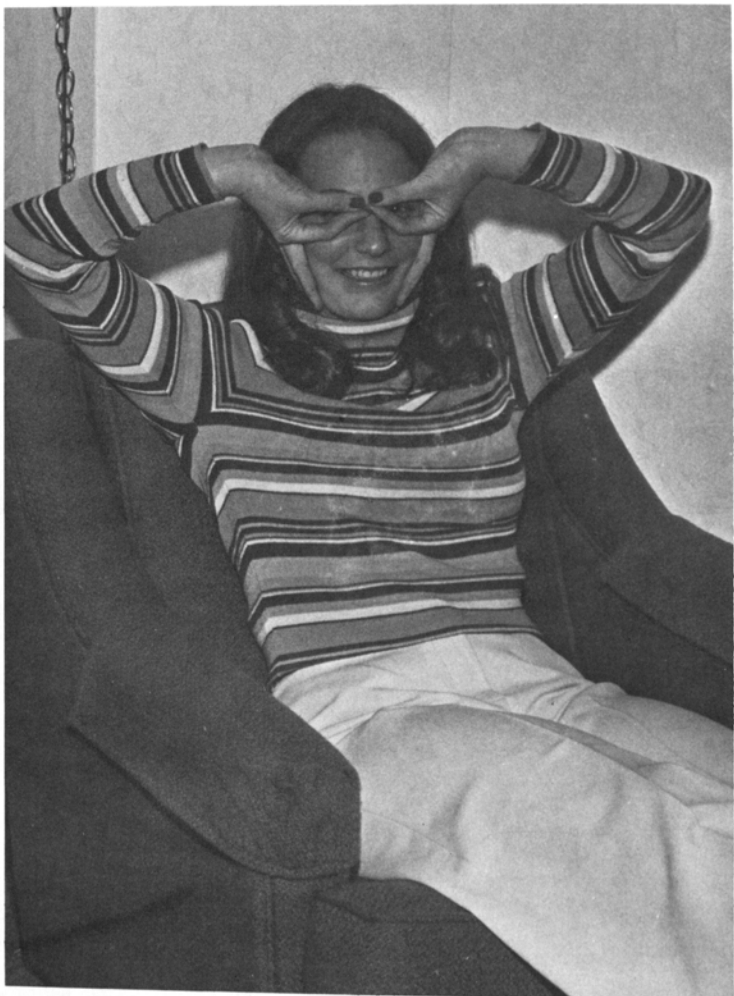

Look

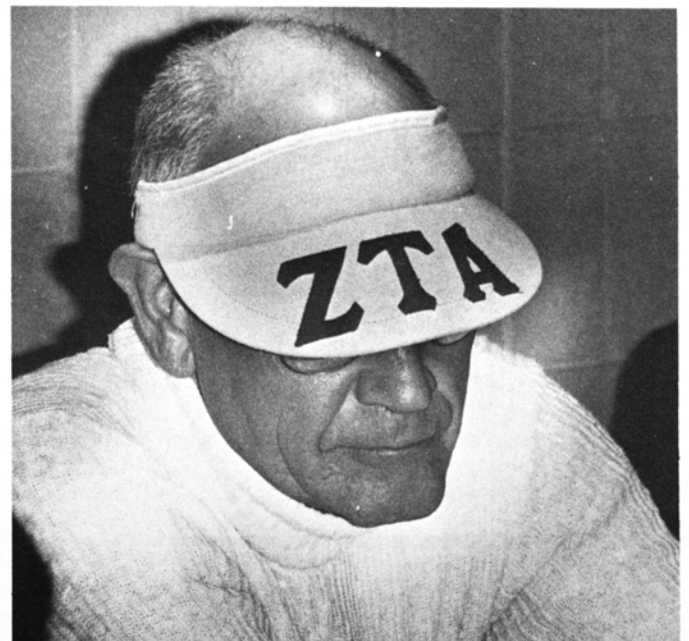

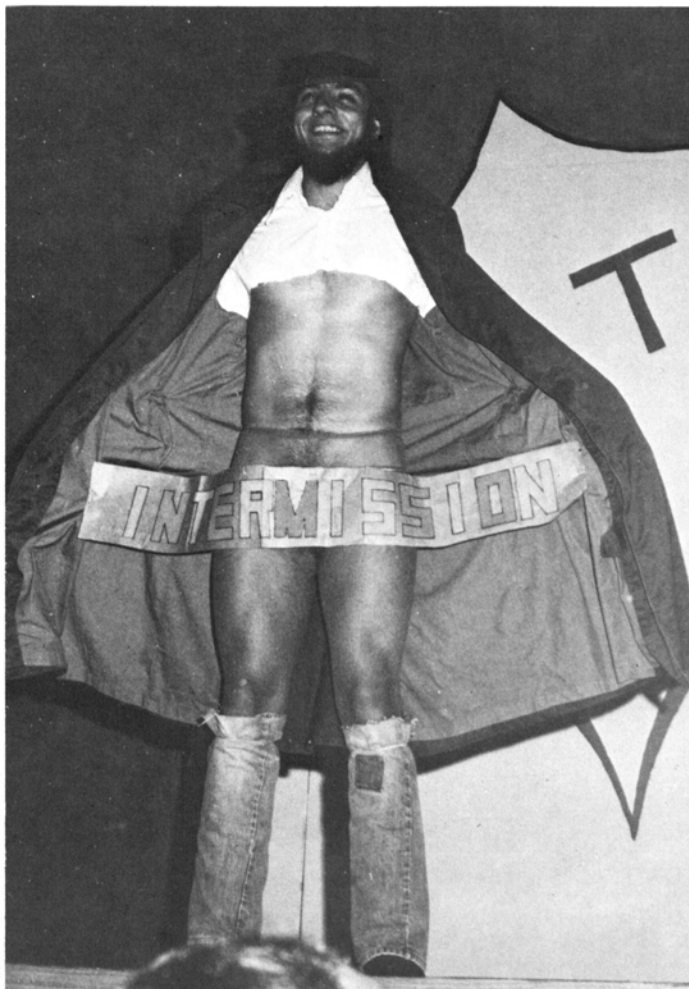

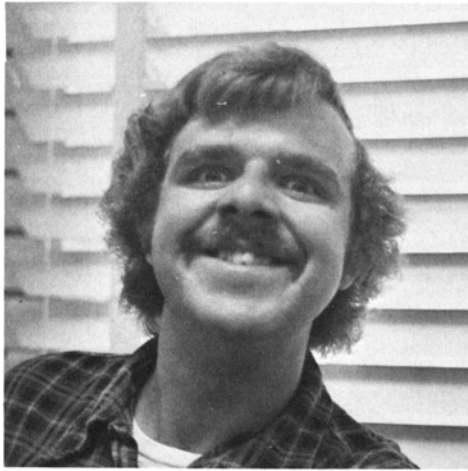

Of . . .

Joe

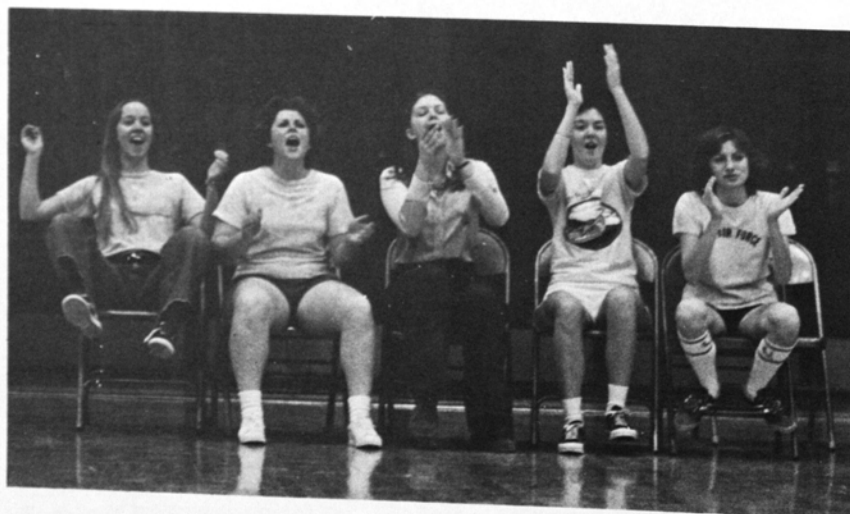

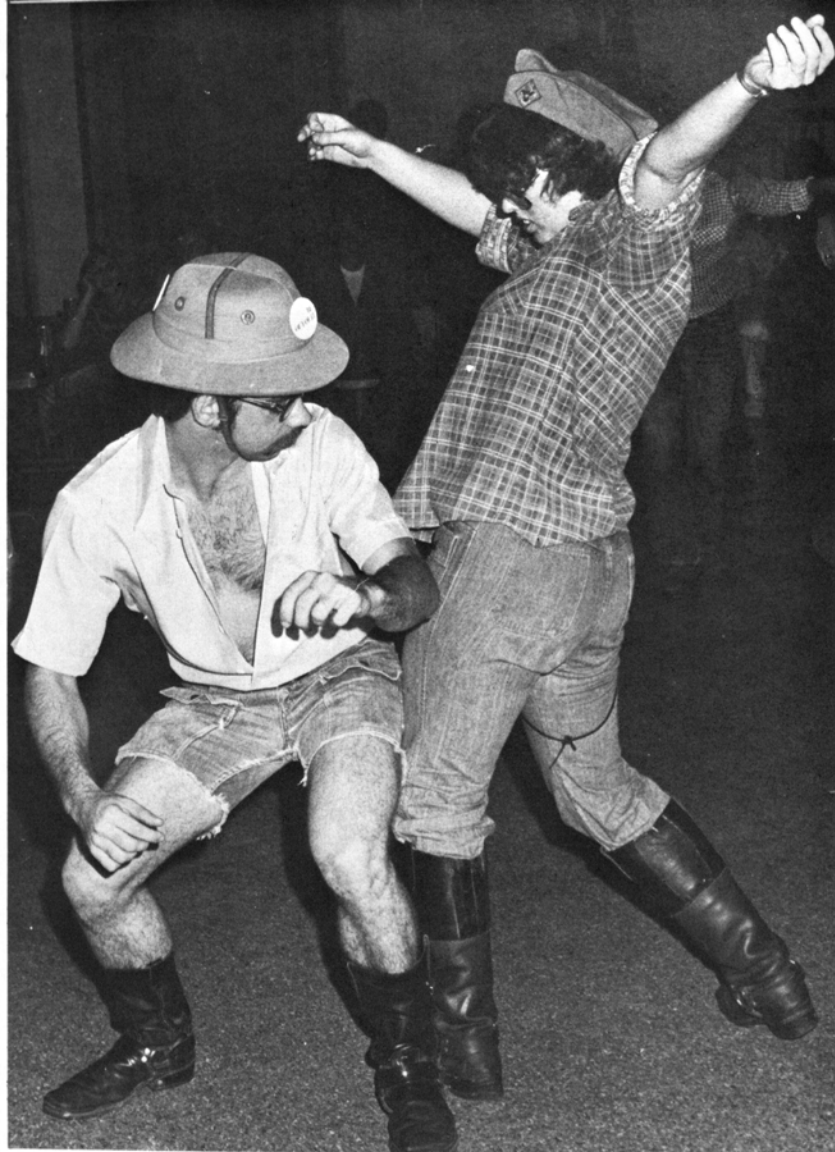

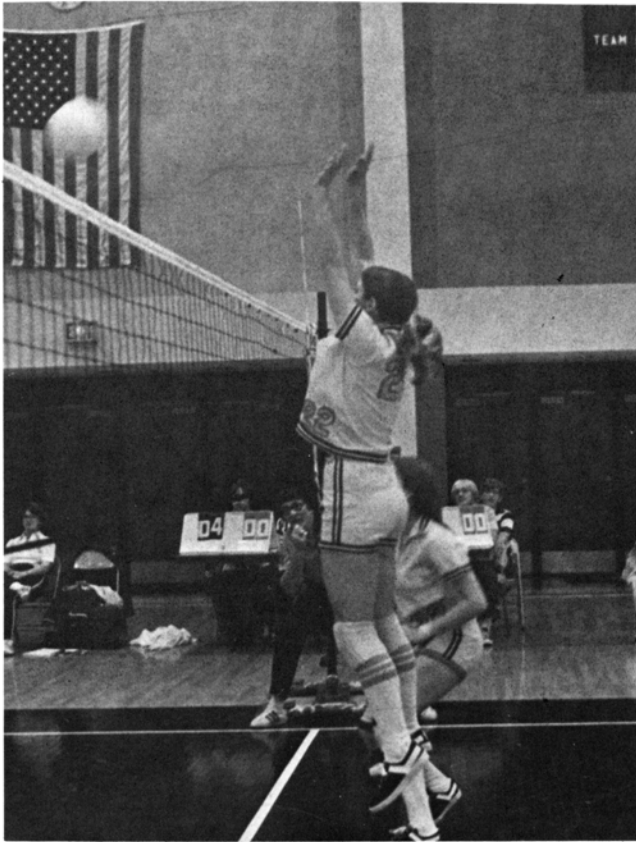

Miner

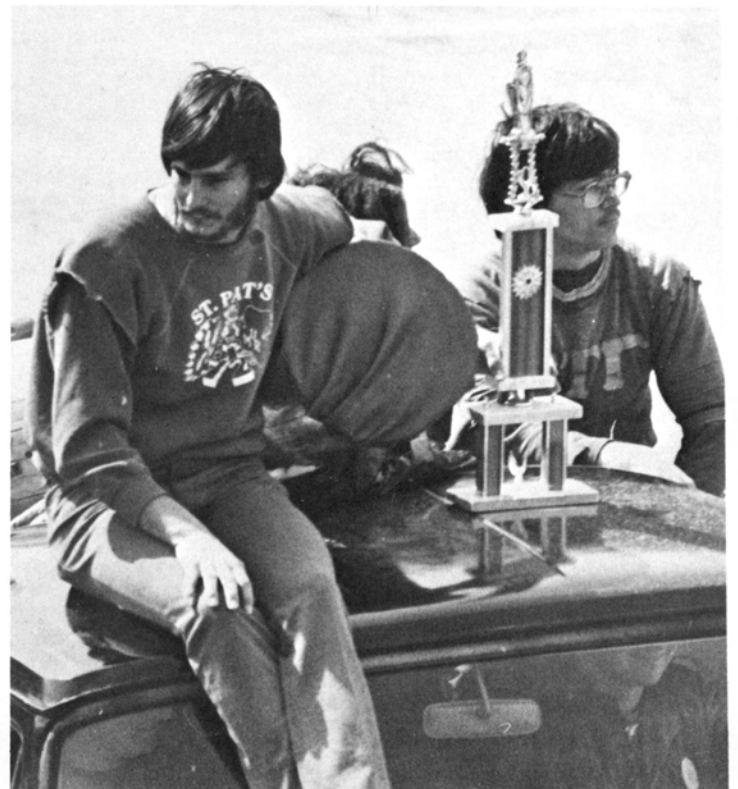

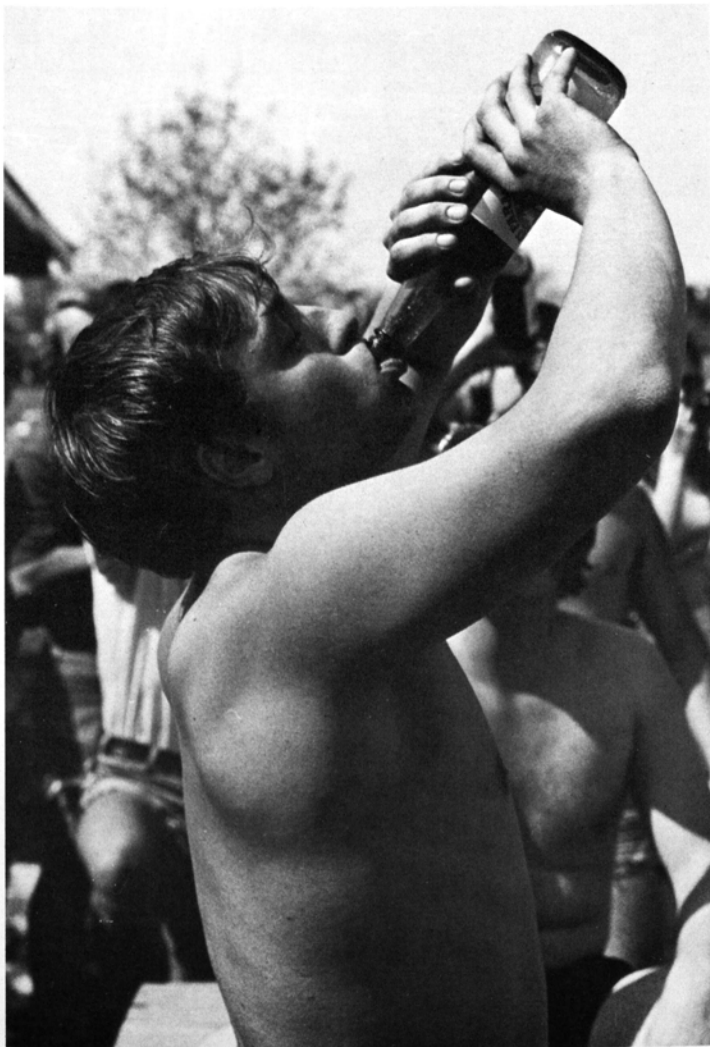

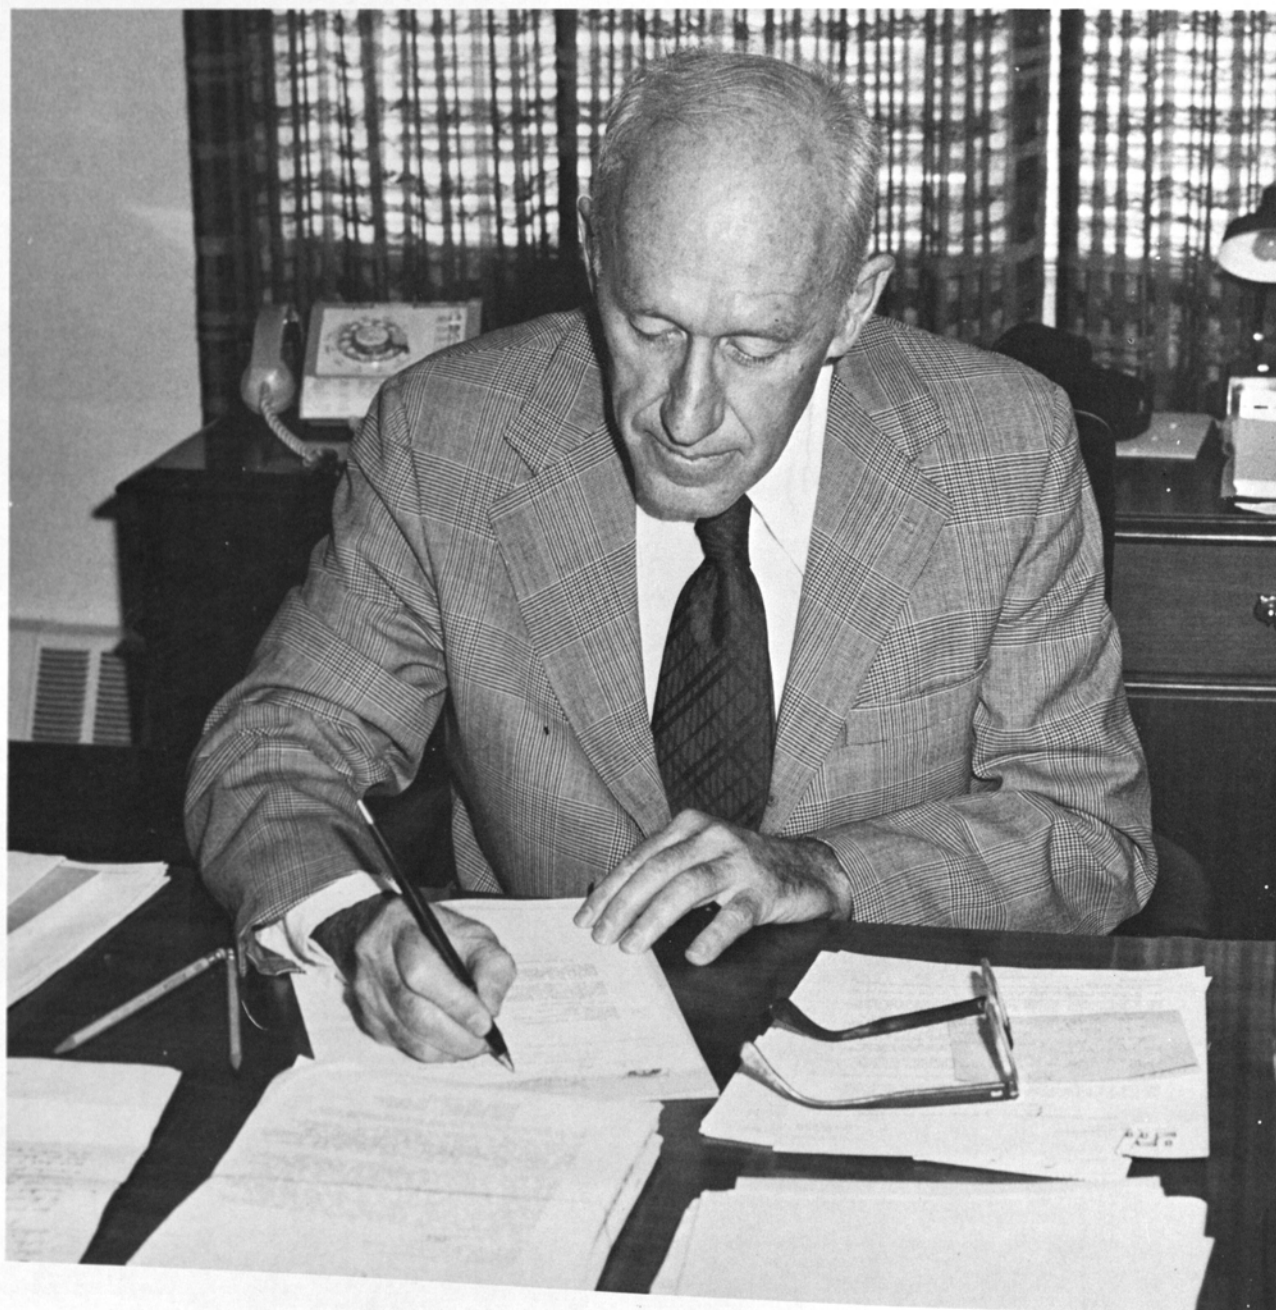

You've
Come
A Long
Way
Baby!

In the past few years, the look of UMR had changed in many ways. Building improvements are constantly being made, but much more than that, the people and attitudes are always changing. Even with these changes, students will remain alike in one way or another. The most important change that we hope will never occur is that the students here at UMR will always have all the fun they can, for as long as they can, whenever they can.

Volleyball Serves To Victory

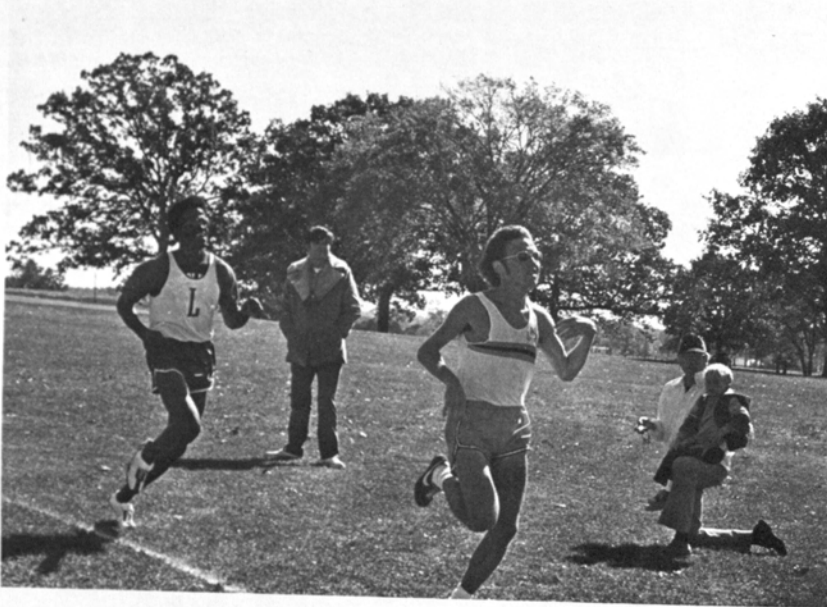

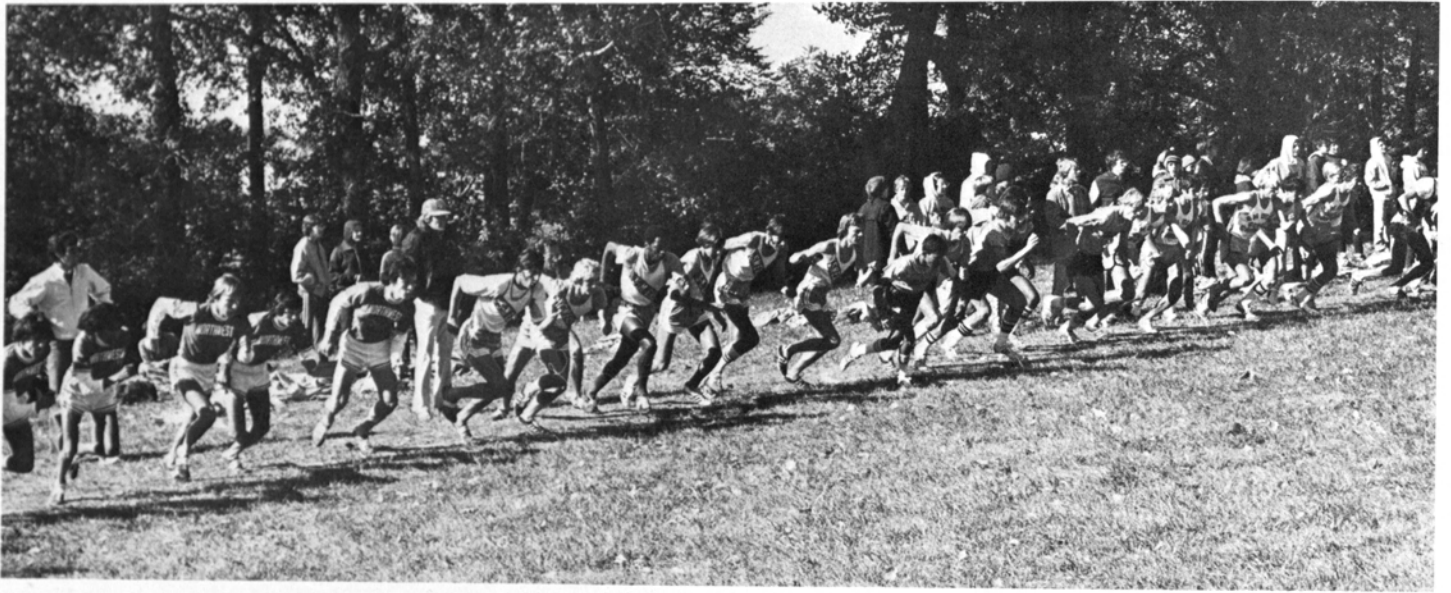

Row 1: Coach Caruso, Margaret Becher, Dotti Field, Debbie Bene, Joy Stephens. Row 2: Brenda Langkopf, Jackie Plies, Debbie Gower, Jeanne Arcynski, Joy Ewens, Paula Snyder, Rosie Love.

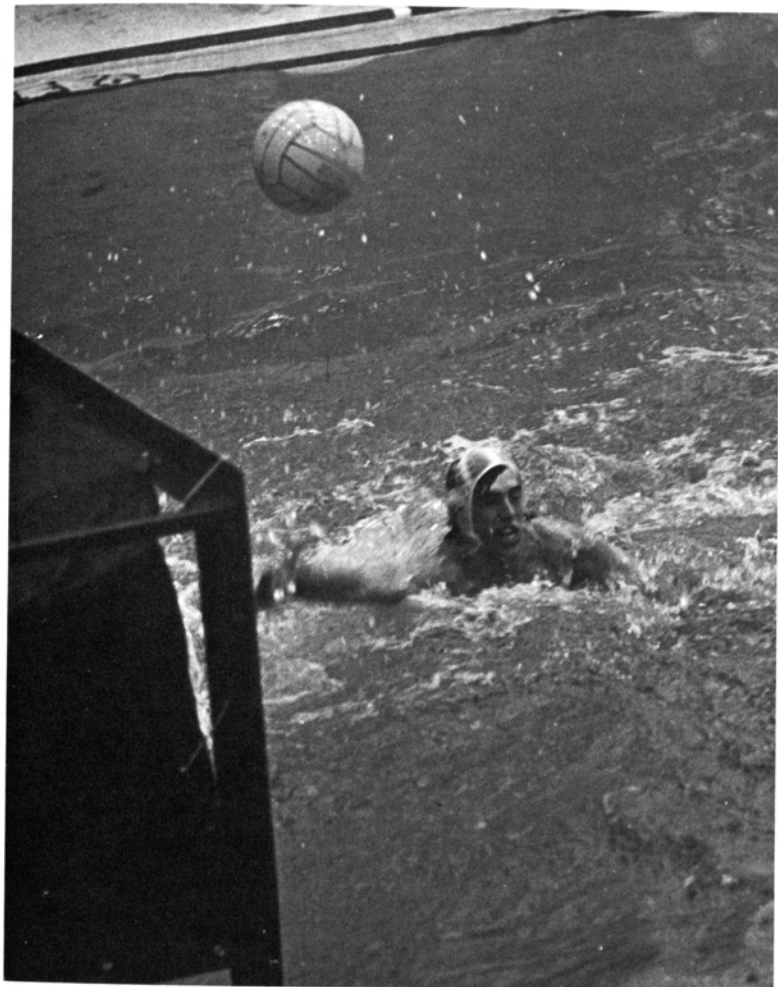

The volleyball Miners ended the year with the best season to date in the team's history. Coach Annette Caruso led the team to an impressive 14-5 record. Co-captains Debbie Bene and Joy Ewens along with all the players continually shocked their opponents with their display of power volleyball. The team will lose only two seniors next year, so they should be in for another excellent season.

Club Soccer

UMR's Club Soccer squad hustled to a respectable 5-8-1 record in the 1976-77 season against some outstanding competition from all over Missouri. Several good freshman combined their skills with the more experienced players to continue to improve UMR's chances of becoming a soccer power to be reckoned with in Missouri.

PHOTOGRAPHERS

SHOWPLACE

After a Year of long hours taking, developing, and printing pictures, the photographers still often do not get some of the pictures they worked so hard to produce, in the yearbook. This is a showplace of some of their own favorite pictures.

Editor's Note

This puts the final touch on this yearbook. As I finish up this final page, I have come to the end of my task to create a different look in this yearbook. It was my goal from the start to make this book different from what has been the traditional yearbooks we have had in the past. This is the end result of that work, a result I am pleased with. To some it may seem no different from others, but some will realize the changes and approve or disapprove of them. I hope most will be of the class that recognizes the changes and will let those people on the staff know how they feel. For the others who don't, "If you don't vote, don't crab".

Thanks go to everyone who helped put this book together. A special thanks go to Mark Lorenz and Russ Brazeal for their help and encouragement. Good luck next year Russ. Thanks also go to Sue Harris and Kay Spaunhorst for the artwork. My deepest thanks to Walt Knutsen and Stevens Studios for their help. To Lance, thanks a lot.

To all the students, here is your ROLLAMO '77, enjoy it, it may be all you enjoy from this school.
